

Welcome to

Alice Nine Professional Development Center

Since 1990, Alice Nine has provided onsite professional development focusing on reading and writing instruction to countless teachers across the United States. Now that training is also available through online courses that you can take at your convenience at school or in your home. Follow the links below to learn more about our FREE membership, the Courses, and how to enroll.

FREE membership

- To become a Member (an authenticated user) you must create an account.
 - To create an account, you will need to enter a limited amount of personal information—your first and last name, a current email address, your city and country. And you will be asked to create a username and a password.
 - A confirmation email will be sent to your email address. The email contains a secure link to a page where you must confirm your account.
- Once you have completed these steps, as an authenticated user of *professionaldevelopment.alicenine.net*, you can login and enroll in a course.

2.

Click here for the first step to become an alicenine.net member here ("create new account") ...

Is this your first time here?

In order to enroll in any course, you must be a member of Alice Nine's Professional Development website. To become a member, you'll need to take a minute to create a *new account*, beginning on this page. Here are the steps:

Read carefully.

- Create an account**
- Click "Create new account" button.
 - Fill out the new account form with your information. Be sure to make note of **your username and password**.
 - An email will be sent immediately to your email address with an authentication web link.
 - Read your email, and click on the web link it contains.
 - Your account will be confirmed and you will be logged in.
- View course listing**
- Click the "Courses" button to go to a listing of courses.
 - On the "Course categories" page you can read more about a course by clicking on the "blue i-button" or you can enroll by clicking on a course title.
- Enroll in a course**
- If you click on a course title, the "Enrollment options" screen will open. Enter your payment information using Visa, MasterCard, or AmericanExpress.
 - Click "Process payment" and the course will immediately open for you. From now on you will only need to enter your **personal username and password** (in the "form" on the left side of this page) to log in. Once logged in, you can access the course(s) you have enrolled in for their specified time. Your course(s) will be listed in your sidebar under "My courses." You can also enroll in another course at any time.
