Growing Strong Writers with Alice Nine

Attentive to the importance of daily writing practice, the complex demands of learning English, and a desire to cultivate a love for writing, Alice Nine has created a series of writing workshops. These workshops offer super simple, step-by-step, no nonsense, can-use-it-tomorrow routines and strategies. Workshops are interactive with teachers doing the work of a student to experience the routines themselves, to learn routine procedures, and to expand personal knowledge. Alice also shares practical ideas for adapting routines to meet diverse student needs and the demands of writing across core curriculum. Some of the *Growing Strong Writer* workshops are *Crafting Sentences*, *Morning Pages*, *Writing with Authors*, *How We Write*, *Sentence Combining*, *Writing Poetry*.
