

# Grammar through Sentences

with Alice Nine

*If you have taken one of my grammar workshops, you will want to participate in Grammar through Sentences. It's the icing on the cake. Hope I see you in EL Paso! Alice9*

Do you teach anchor lessons and build anchor charts...

Do your students create interactive grammar notebooks...

Do you apply grammar during writing...

BUT mastery still eludes your students...

If this is you, then **this is the workshop for you!**

Alice Nine will show you how to effectively teach and practice grammar application for the sake of reading and writing improvement.

Alice shares a multifaceted strategy for sentence work. It can fit any schedule, easily carries a mini-lesson or practice, has a flexible style, works with any language program. Can be done in five minutes. Does not require the purchase of special teacher materials. Digital resources are included in workshop fee.
