- ▶ Analyze workload of the test
- ▶ Identify and examine test questions that require writing in sentences
- ▶ Compare the extended constructed response to a traditional essay
- ▶ Model a short constructed response
- ▶ Model an extended constructed response

Teachers share about Alice Nine's STAAR Writing workshops they've attended

- *"The X-Builder has already helped in my classroom."*
- *"This ... has been God-sent! Thank you!"*
- *"I appreciate how Alice took small pieces and put them into easy to understand words & phrases."*
- *"You made the essay so doable!"*
- *"I truly could write pages on all that I've learned."*
- *"Thank you for the clear distinction between topic and thesis."*
- *"This has been the best informative training I have had for STAAR Writing."*
- *"The videos and lessons were awesome. Thanks!"*
- *"I actually used some of the on-line videos with my 4th graders. They understood it so much better."*
- *"I have always considered myself a poor writer. The way you have everything broken down makes it doable for me."*
- *"I was not looking forward to taking so many on-line hours of training, but I now realize how essential it was. Thanks."*
- *"Just what the doctor ordered!"*
- *"The workshop has been EXTREMELY helpful! The workshops on-line were great . . . because they provided so much information. They were clear, easy-to-follow, and to the POINT!"*
